

Zavod za javno zdravstvo Sveti Rok Virovitičko-podravske županije

Upute za strane radnike koji obavljaju pregled za produljenje dozvole boravka

Pregled na koji ste upućeni sastoji se od fizikalnog pregleda i uzimanja anamneze, pregleda cjepnog statusa, bakteriološkog pregleda stolice, pregleda krvi na krvlju prenosive bolesti i RTG pregleda prsnog koša.

U ambulanti Službe za epidemiologiju (Zavod za javno zdravstvo u Virovitici u krugu bolnice) obaviti ćete fizikalni pregled i pregled cjepnog statusa (ponedjeljak, utorak, srijeda od 8.00 do 11.00) a u prizemlju iste zgrade na mikrobiologiji predat ćete uzorak stolice. Uzorak možete predati ponedjeljkom, utorkom i srijedom od 7.00 do 10.00 sati. Dobit ćete potvrdu da ste započeli zdravstveni pregled.

Rtg pluća obaviti ćete u Općoj bolnici Virovitica na Odjelu za radiologiju svaki radni dan od 7.00 do 10.00 sati ili u Domu zdravlja Slatina prema prethodnom dogovoru. Termin za snimanje u Domu zdravlja Slatina možete zatražiti putem e-maila: rtg.slatina@dom-zdravlja-vpz.hr ili telefonom: 033 / 551 626.

Krv za serološke pretrage izvadit ćete u OB Virovitici na Odjelu za transfuziju radnim danom od 7.00 do 10.00 sati.

Sa prikupljenim nalazima ponovo ćete doći u Službu za epidemiologiju gdje ćemo Vam izdati Svjedodžbu o obavljenom pregledu s upisanim nalazima pretraga.

Institute for Public Health Sveti Rok Virovitica-podravina County

Instructions for foreign workers undergoing a medical examination for the renewal of a residence permit

The examine contains physical examination and anamnesis, vaccination status review, bacteriological examination of the stool, examination of the blood-borne diseases and RTG chest examination.

The physical examination and vaccination status review will be done in the Epidemiological Department (Monday, Tuesday, Wednesday 8.00 a.m. to 11.00 a.m.), and the bacteriological examination of the stool will be done in the Microbiological Department of the Institute for Public Health (within the General Hospital area). You can bring sample of the stool on Mondays, Tuesdays and Wednesdays from 7.00 a.m. to 10.00 a.m. You will receive confirmation that you have started health check-up.

The RTG chest examination will be done in the General Hospital Virovitica at Department of Radiology from 7.00 a.m. to 10.00 a.m. or in the Health Center in Slatina at the agreed time. You can request an appointment in the Health Center in Slatina by email: rtg.slatina@dom-zdravlja-vpz.hr or by phone: 033 / 551 626.

The blood for the serological examine will be taken at the Transfusiology Department in General Hospital Virovitica on working days from 7.00 a.m. to 10.00 a.m.

You will come again at the Epidemiological Department of the Institute for Public Health with all collected medical findings, and we will give you the Certificate with your data.
